

ACRAGUN ACRACLIP SCALP CLIP SYSTEM

Easy to use, Reliable, and
Economical

ACRA-CUT introduces
a clip gun system that fulfills
the promise of fast, trouble-free
application of scalp clips.

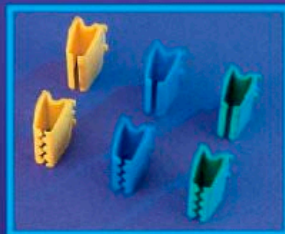

Its unique design prevents
accidental clip ejection or
failures to feed. The result
makes the opening procedure
faster and easier.

- ACRAGUN fits comfortably in any size hand.
- Apply clips at any angle, even upside-down, with complete control.
 - Combines the economy of a reusable gun with the convenience of sterile, preloaded cartridges.
 - Cartridges snap into the gun quickly and easily.
